About This Game

Challenge your problem solving skills in this fast paced math game. Each round consists of three math problems: addition, subtraction, multiplication. You must select the correct answer in the limited amount of time that would correctly complete the equation. You can track the number of right and wrong answers by count and by assigned letter grades that change as you progress. Select from multiple difficulty settings and restart at anytime to clear your progress and try to achieve 100%. With endless levels, randomized math equations, multiple difficulty settings, and an easy to use interface Math Problem Challenge will provide hours of challenges.

Features:

- Endless Rounds
- 3 Problems Per Round
- Addition, Subtraction, and Multiplication Problems
- Multiple Difficulty Settings
- Random Math Equations

This game is okay plus the 5k achievements is okay but I would never buy this game alone and this math game isn't that hard. This is okay for kids first learning about math..
